

**I need my nails cut!**

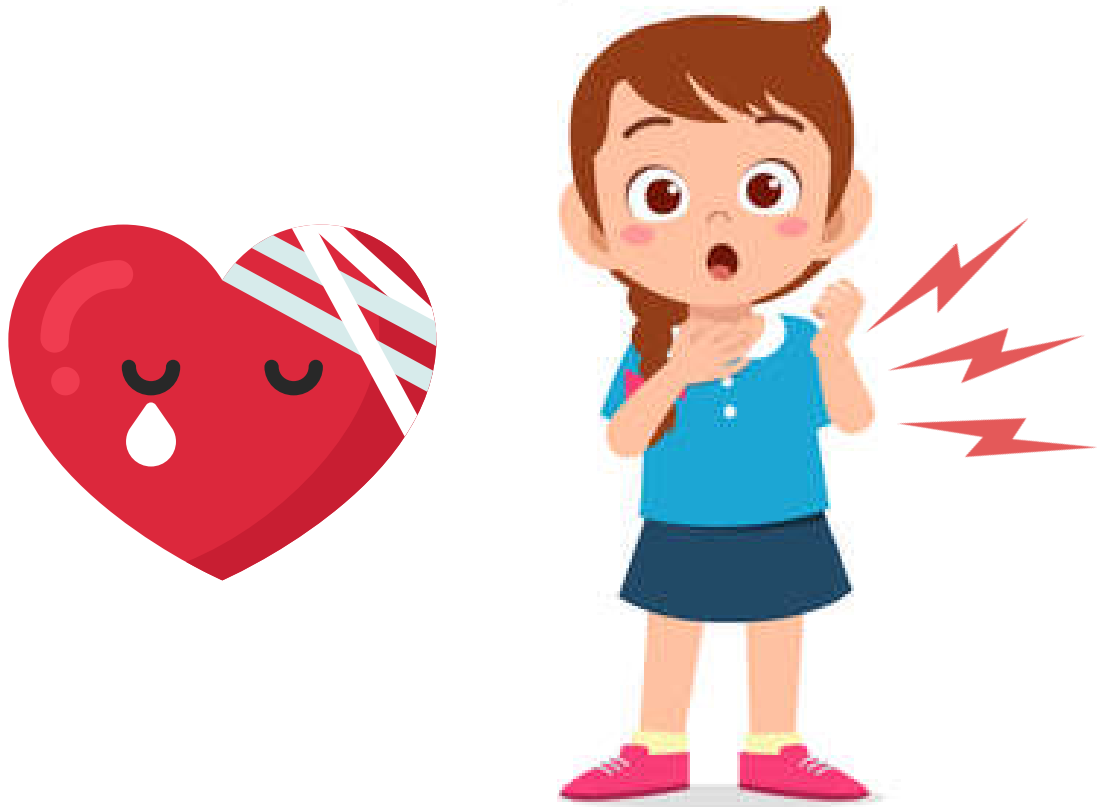

**My nails can grow  
really long.**

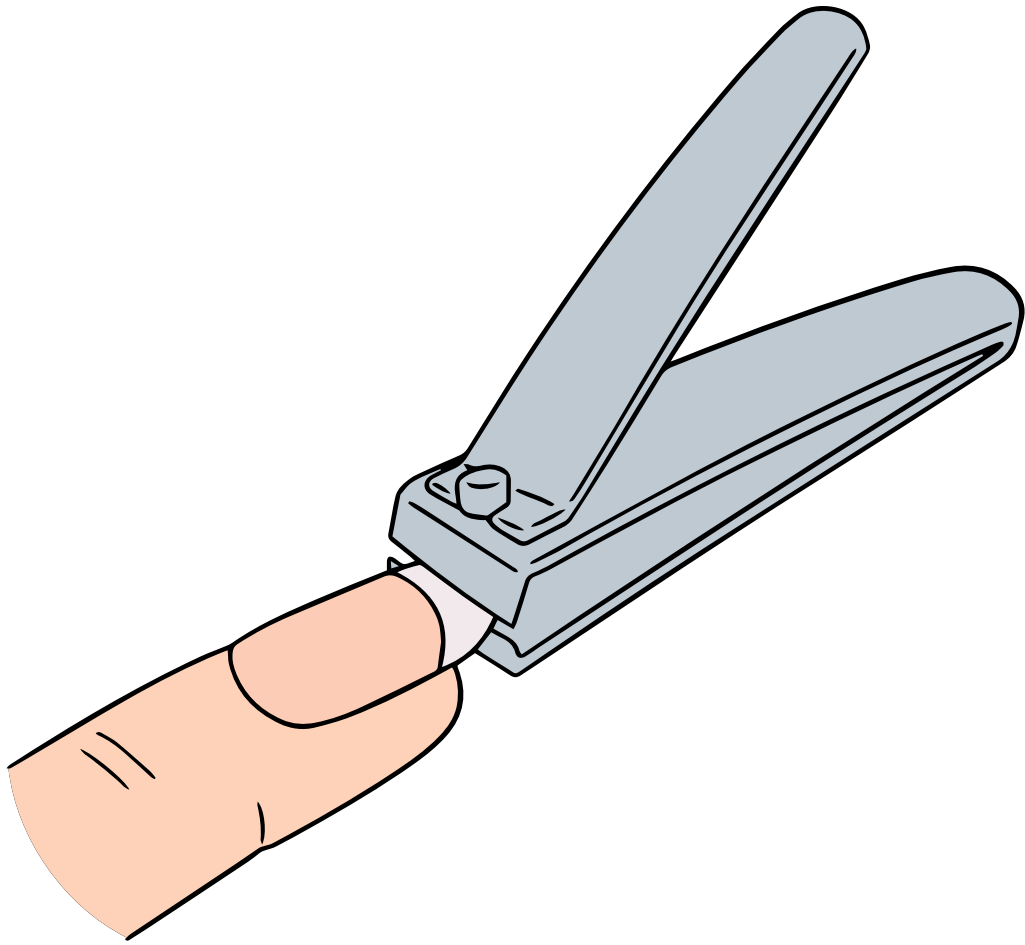

SCRATCH

**Long nails can  
scratch someone.  
Ouch!**

**Scratching our  
friends can hurt  
them and make them  
sad.**

**I should cut my  
nails when they get  
too long!**

**An adult can help  
me clip my nails!**

**Sometimes cutting  
nails can be loud  
and seem scary.**

**But having short  
nails keeps me and  
my friends safe!**

**Having my nails short  
keeps my friends and  
me happy!**
