

**I need my toe nails
cut!**

**My nails can grow
really long.**

**Long nails can
hurt my feet.
Ouch!**

**I should cut my toe
nails when they get
too long!**

**An adult can help
me clip my toe
nails!**

**Sometimes cutting
nails can be loud
and seem scary.**

**But having short
nails keeps me
safe!**

**Having my nails short
keeps my family and
me happy!**
